ART JOHN JESUS T. AQUINO

09561469769 | artjohnjesus17@gmail.com | P17-10th 7st Villamor, Pasay City

OBJECTIVES

A reliable and motivated professional seeking an opportunity to apply my skills, contribute to the success of the organization, and grow professionally. Confident in performing assigned tasks, adaptable to new challenges, and willing to learn new skills to improve my performance and deliver quality results.

WORK EXPERIENCE

Chotto Matcha – Forbestown, BGC *August 2025 – March 2026*

- Prepared and served a variety of matcha drinks and coffee while maintaining product quality, consistency, and customer satisfaction.
- Handled cashier transactions, processed payments accurately, assisted customers with their orders, and provided friendly service with a positive attitude.
- Maintained cleanliness and organization of the work area, restocked supplies, and ensured efficient daily operations while developing strong communication, teamwork, and time-management skills.

EDUCATION

Philippine Christian University *August 2023*
Bachelor of Science in Information Technology (Last school attended. 2nd year college)

Pasay City South High School *October 2021 - July 2023*
Information, Communication, and Technology

PROJECTS

Travel Ease – UI/UX Design
Technology Used: Figma

- Designed a mobile travel application interface inspired by popular travel booking platforms, featuring hotel reservations, destination browsing, activity booking, and itinerary management.
- Created interactive prototypes and applied UI/UX design principles to deliver a modern, intuitive, and user-friendly experience.

TravelWise – Travel Agency Booking System
Technologies Used: C#, Windows Form, Microsoft SQL Server

- Developed a desktop-based travel agency booking system for managing customer information, travel packages, reservations, and booking records.
- Implemented a database-driven system using C# and Microsoft SQL Server to streamline booking management and provide an organized, efficient user experience.

Portfolio Website – Personal Portfolio
Technologies Used: HTML, CSS, JavaScript

- Website Link: https://artaquino-portfolio.netlify.app/
